Hi, Ted.

PBA sent me note
of apologies last
night. I have
engagement
letter with them
PLUS I had all
texts back and
forth day of
petition //
release.

They are sending
a release to
Reflector — they
are highly
political and
thought as FoP
got me first ONLY
FoP name would
be on petition

I'm sure all sorts

being said but I
have all retained
and got
confirmation
again this AM

I wanted you to
know I would

apology.

Peter
